Fruit Picking: Seasonal Fruit picking e.g. Strawberry (Jan~May), Blue berry (Jun~Aug), Grape (Aug~Sept), Apple (Sept ~Nov), Orange (Oct~Dec). This is only for reference and all fruits are subject to climate condition.

Dolphin Watching: offer a captivating opportunity to observe these intelligent marine mammals in their natural habitat. Typically conducted via cruises, these excursions take participants into the inner seas or coastal waters where dolphins are known to inhabit.

Hot Sand Bath: For a truly unique and therapeutic experience, consider indulging in a hot sand bath, a traditional practice believed to have healing properties for various ailments such as muscle pain and arthritis. You can simply lie down in a shallow pit dug in the sand, and carefully cover them with warm sand from head to toe. This immersive treatment offers relaxation and rejuvenation, feeling refreshed and revitalized.

Oita African Safari Park: One of Japan's biggest safari parks, home to about 70 species and 1,400 animals, including bison, deer, bears, lions, cheetahs, elephants, camels, rhinos, and giraffes.

Blood Pond: Named for its vivid red hue resembling blood, this natural hot spring pond captivates visitors with its eerie beauty and otherworldly atmosphere. Steam rising from the earth creates a surreal landscape, inviting exploration and contemplation of the Earth's geothermal wonders.

- Note:
- During major international or local festive events, accommodation may not be arranged as stated as above.
 - Tour groups may be merged and sequence of itinerary is subject to change without prior notice.
 - Bonus tour will be not replaced nor refunded.
 - All hotel ratings are based on local standard. In case of hotel rooms are running full, an equivalent standard hotel will be served as replacement.
 - In the event of any discrepancy between the English and Chinese itineraries, the Chinese version shall prevail.
 - Room type, size and/or view are allocated by hotel/resort, subject to availability.
 - Tour is fully conducted in Mandarin.
 - Blooming of flower/fruit is subject to weather conditions.
 - Dolphin watching and seagull feeding are often seasonal activities that depend on various factors such as weather conditions, and the natural behaviors of these animals.
