13D Winter @ TIBET & EVEREST BASE CAMP + Chengdu

Holy Lake in Tibet

Basumtso Lake A notable holy lake of Nyingmapa order of Tibetan Buddhism.

Yamdrok Lake One of the three largest sacred lakes in Tibet. It is surrounded by many snow-capped mountains and is fed by numerous small streams. It has an outlet stream at its far western end.

Ranwu Lake The largest lake in Eastern Tibet and one of the remotest lakes in Tibet, which has an excellent view, a perfect combination of the snow-covered mountains, glaciers of the Swiss Alps, and streams of Jiuzhaigou Valley.

Tibet Everest Base Camp

Brings you to the foot of the Mt. Everest (8844.86m) at Everest Base Camp (5200m) and unveils the grandeur of mighty Himalaya and Tibetan culture in an exhilarating adventure.

Laigu Glacier

- ✧ one of the world's three largest glaciers, and is also the largest, longest and widest known glacier group in Tibet.
- ✧ If Antarctica and Iceland are still out of reach, then in Tibet, you can also enjoy the world-class blue glacier scenery.

Potala Palace

It was the chief residence of the Dalai Lama. Standing on the escarpments of Red Hill and rising high above the valley floor, it is a world-famous architectural wonder in Lhasa.

Rongbuk Monastery

is the highest monastery in the world and one of the highest-elevation settlements ever built. It is the best location to watch and photograph Mount Everest.

Tashilhunpo Monastery

One of the Great Four Holy Monasteries of Tibet. here you can explore Tibetan Buddhism, appreciate religious art, and participate in the interesting festivities in just one go.

Lulang Forest

The landscape is particularly beautiful with snow mountains, glaciers, primitive forest, villages and rivers. The snow-capped mountains and glaciers silently lie in the distance.

Must Visit Snow World

It Isn't that Cold and the Oxygen Levels Remain Stable in Winter; Encounter More Tibetan Pilgrims and Connect with Locals.

As the winter weather is dry and clear, the Everest peak is seldom shrouded by clouds and fog. You can better witness the grandeur of the world's summit during this season.
