Tanaka Bougainvillea Flower Wall

The exaggerated sea of flowers wall is amazing. The nearly five-meter-high bougainvillea is colorful and pours down like a waterfall. It makes us small beside the wall like Alice in Wonderland who accidentally entered the fairy tale fantasy garden.

Cingjing Farm Green Grassland

Taiwan's famous leisure farm. Enjoy flowers in the spring, escape the heat in the summer, enjoy maples in autumn. The large grasslands and sheep herds surrounded by mountains make you feel like in New Zealand. The Nordic European buildings in the park and lingering clouds and mists add to the exotic atmosphere.

Cona's Nina Chocolate Dream Castle

Castle is made of top-quality stone, resembling a European Rococo castle. It is equipped with high-tech multimedia exhibitions and interesting interactive settings. Learn about the concept of making chocolate from scratch and the chocolate making process.

MingGing Qingjing Farm

It has the best view in Qingjing, Sip tea at the outdoor cafe and enjoy the vast mountain scenery, watch the white clouds playing with the green mountains, watch the mist teasing the continuous mountains, watch the sparkling blue lake, reflecting the occasional boat rowing by.

Flower Home Leisure Farm

Is one of the most natural herbal and flower gardens in Taiwan. At the farm, you will be lead into a wonderful world of flowers & herbs fragrance and there are seasonal flowers like hydrangeas Christmas red flowers, Roses, Tung Flowers etc. The garden landscape is designed by the farm owner. It has the only essential oil museum in Taiwan.
