

CHINA

11 Northern Xinjiang KAZAKHSTAN Kyrgyzstan

Kazakhstan

Charyn Canyon National Park is the second largest canyon after Grand canyon in the US. wind, water and sand sculpted Charyn's red sandstone to form the wonderful shapes and shades that vary from deep orange to light brown.

Kok-Tobe Hill<Incl 2way Cable Car Ride>

The symbol of Almaty and the highest point of the city at the height of 1130 m above sea level. A cool place to enjoy the panoramic views of the mountains & city from atop Kok-Tobe Hill.

Kyrgyzstan

Issyk Kul<Incl Boat Ride> It is after Lake Titicaca in South America world's second largest high mountain lake, is surrounded by snow-capped high mountain ranges. As the salt content of the lake water is low and because of the numerous warm springs at the bottom of the lake it does not freeze despite the low temperatures.

Petroglyph Museum The open-air museum is dotted with stone circles, tombs, balbals, and a variety of petroglyphs. These petroglyphs date from the 2nd millennium BCE up to the 4th century AD.

No Shopping Stops

Dushanzi Grand Canyon

It is formed from the sloping plain with magical scenery. It has been carved out by water coming down from the nearby Mt.Tianshan. This great canyon is about 20 km long and the width of its bottom and shoulder is around 100-400 m and 800-1000 m respectively.

Sayram Lake-Haixi Area

It is the largest alpine lake in Xinjiang and also the highest. It sits against snow-covered mountains and is surrounded by vast grassland. Every year in June and July, the lake's surroundings fill with every color of wildflower, a beautiful sight not to be missed.

Nalati Grassland

One of the four largest grasslands of the world. Owing to its high altitude and steep terrain, it is also called 'The Sky Grassland'. With its natural landscape, long history and culture, distinctive ethnic customs combined, presents a concentrated illustration of China's western frontier fortress.

East Karajun Grassland

It is a UNESCO World Heritage nature site and one of the most famous grassland in Xinjiang. It is backed by rolling hills, towering snow-capped mountains, trees, flowers and other landscapes on the prairie, vast scenery beautiful.

Illi Lavender Fields

The third largest lavender planting base in the world after France's Provence and Japan's Furano. It presents a very beautiful lavender coloured and lavender smelling landscape.
<Vid on May-Jun>

Karajun Flower Terrace

In summer, enjoy the stupendous natural landscapes, such as wildflowers, grasslands, snow mountains, blue sky as well as white clouds, and that will definitely feast your eyes.
