10D Winter Love in Kanas ❄️ Urumqi

Kanas Scenic Area

Closely resembling the climate of southern Siberia, Kanas is home to snow peaks, glaciers, alpine forests and lakes. Lasting for 6 months in winter time, Kanas Lake turns into a fantastic world of ice and snow, where you will find a remarkable view of crystal snow willows and frozen Kanas lake covered with thick snow. A beautiful place like a fairyland, quiet and natural without losing its vitality **<Incl. Double Visitings>**
